MEMORANDUM FOR: SA/DD/R

SUBJECT : ARGON

25X1A

Reference is made to our conversation of 31 July regarding the additional ARGON payloads under contract by DNRO. This is discussed and directed in [REDACTED] 0490. I talked to Kiefer about this; and as you know, he feels this is a USIB Directive and you feel it isn't. Would you be good enough to continue this discussion with Mr. Kiefer and arrive at some conclusion and whatever action is necessary.
